

Creative Break

Grab your favourite drink and take 5 for a quick creative break and find out what is happening at the Mindarie Studio!

Welcome to 2024

Its been 2 months of date nights, birthday surprises, bestie breaks and self-care time out among other reasons for the creativity to boom at the studio for 2024!

We started the year with a bang, bringing back some popular studio favourites - resin art, candle making, alcohol ink and boho seagrass planter making among others. We also introduced a new selection of creative experiences - acrylic resin casting, polymer clay, water-colour exploration, screen printing and our studio 'paint n sip' sessions. We also loved welcoming back our amazing artist family - Hannah Goggs (ceramics), Susie Muir (soft pastels) and Lorraine Salt (texture art).

As we move into our Autumn program we can't wait to welcome you back to the studio to get creative!

Embracing the Unknown: The Power of Creative Workshops at iCreated Studio

BY KELLY SAUNDERS

In the bustling heart of artistic expression, nestled within the creative walls of iCreated Studio, a profound ethos reverberates: "An essential aspect of creativity is not being afraid to fail," the words of Edwin Land echo through the minds of every eager creator who steps foot into this sanctuary of imagination.

At iCreated Studio, workshops aren't merely about mastering techniques or perfecting brushstrokes; they're about embarking on a journey into uncharted territories, where the fear of the unfamiliar is transformed into exhilarating opportunities for growth. Here, attendees are encouraged to push beyond the boundaries of their comfort zones, to

EMBRACING THE UNKNOWN...

embrace the unknown with open arms, and to discover the magic that awaits on the other side of fear.

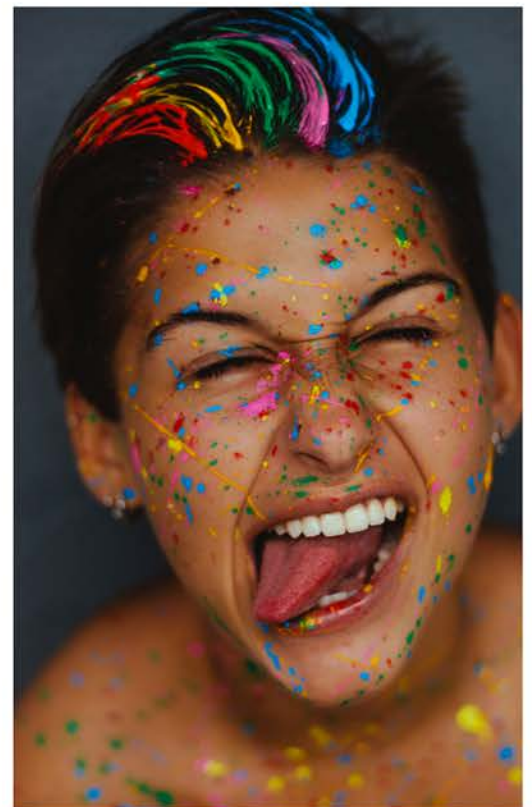

Stepping into the studio, participants are greeted by an atmosphere of support and encouragement, where trying something new is celebrated as a triumph of courage over apprehension. Guided by experienced mentors who understand the daunting nature of stepping into uncharted creative waters, attendees are empowered to overcome their fears, to take bold risks, and to unlock the hidden potential of their imagination..

In this nurturing environment, you can discover that success is not measured by the absence of fear but by the willingness to persevere despite it. Every tentative brushstroke, every hesitant experiment becomes a testament to the indomitable spirit of creativity, proving that greatness can be achieved even in the face of uncertainty.

Through the transformative power of creativity, participants emerge from workshops not only with beautiful works of art but with a newfound sense of confidence in their ability to conquer the unknown. They learn that true creativity thrives in the embrace of fear, that the path to self-discovery is illuminated by the courage to try something new and the resilience to succeed despite the odds.

At iCreated Studio, the mantra remains unwavering:
fear not the unknown, for within its depths lies the boundless potential of creativity waiting to be unleashed.

“An essential aspect of creativity is not being afraid to fail.” —Edwin Land

The Secret Is Out: Art Escape at The Alcove

AT JOONDALUP RESORT WITH MOODY RABBIT

We are very excited to announce a very special partnership with Joondalup Resort! iCreated Studio is bringing our luxury creative experiences to the stunning location of Joondalup Resort, nestled amongst natural bush land, just 25 minutes drive north of the Perth CBD and less than 10 minutes from the iCreated Studio.

To celebrate this amazing partnership, we will be releasing a very special creative experience - **Art Escape at The Alcove!**

Treat your Mum to a very special art escape at Joondalup Resort this Mother's Day. Your Mum will join acclaimed Moody Rabbit artist, Hannah Goggs, to create a stunning mixed media framed masterpiece featuring Western Australian banksia flowers at Joondalup Resort while being spoilt with a delicious lunch at The Alcove restaurant.

Includes a glass of sparkling on arrival, a 3-course plated lunch and live music.

What's New Now?

STUDIO SESSIONS

PAINT N SIP

Immerse yourself in the joy of painting at our exclusive in-studio paint n sip sessions. With stunning, bright designs, premium bubbles, deluxe large framed canvases and numbers limited, our studio paint n sip sessions offer the most relaxing, luxurious creative break in Perth!

SCREEN PRINTING

Perfect for beginners, you will learn how to craft your own screen with either your own design or one of ours and print a design on a calico bag. With lots of opportunity to practice before your final creation, you will discover a new creative passion!

WATERCOLOUR

If you have ever wanted to try watercolour painting or tried it at home and haven't got the results you wanted, then this is the perfect session for you! Spend 2 hours learning the basic watercolour techniques and seeing how different brushes and quality paints impact your final masterpieces.

ACRYLIC RESIN CASTING

As a safer alternative to epoxy resin, our acrylic resin casting session gives you the opportunity create terrazzo designed pieces using our non-toxic, eco-friendly casting material. With a large range of silicone moulds to chose from, there are endless creative options!

What's New Now?

STUDIO SESSIONS

POLYMER CLAY

Get your hands dirty (in the best way possible!) as you learn how to sculpt and mould your oven baked clay into beautiful shapes and forms. From dainty earrings to statement pendants and beads, the possibilities are endless, and the choice is yours.

RESIN CLOCK

During the two hour session, you'll receive step-by-step instructions on how to create your resin art wall clock. Our studio artist will show you 3 resin art techniques, then you will have the opportunity to practice before creating your final design on your clock.

WOODBURNING

Learn the ancient craft of embellishing wood with intricate designs and patterns using a heated tool. This hands-on workshop will guide you through the fundamentals of pyrography, from selecting the right wood to mastering various techniques. .

SUPERCCELL PAINT POURING

We are taking a standard paint pouring session and "Super Celling" it!! During this session we show you how to create art using 3 different paint pouring techniques with special super cell paint. You will then perfect techniques on 2 small deep edge canvases before you create your final masterpiece on a larger deluxe framed canvas.

Artist Spotlight Hannah Goggs - Moody Rabbit

A self-taught artist, Hannah has been creating and making all her life. It is 'in the blood' as she has followed in the footsteps of her father, grandfather and previous potters and painters in her family. Hannah from 'Moody Rabbit' is currently working fulltime as an artist/creator from her home studio in Coolbellup.

Showing in galleries across Australia and recent solo exhibitions at galleries in Western Australia, Hannah is excited to see what 2024 brings. So far it is looking to be a busy year between hosting ceramic classes at iCreated Studio and her Fremantle studio, preparing for her upcoming exhibitions across Australia, completing her commissioned art works, collaborating with iCreated Studio on a new range of luxury home and body products and creating brand new art work to teach at our Joondalup Resort creative escape - what a year it is set to be! You will often see Hannah in her creative element, completing works at our studio in Mindarie on our artist in residence Fridays.

SOFT PASTEL SESSIONS AT ICREATED STUDIO

Lorraine Salt - Artfully You/Lorraine Salt Art

Lorraine Salt is not just an artist; she's a visionary creator who turns emotions into brushstrokes and stories into canvases. With a palette that mirrors the depth of human experiences, Lorraine's art is a fusion of colours, textures, and feelings that come together to form captivating masterpieces.

After visiting iCreated Studio as a guest artist last year, Lorraine returns for 2024 to join the team with her amazing texture art sessions, created exclusively for us. We are very excited that Lorraine also joins Kelly and Susie to lead you step by step through the iCreated Studio Paint n Sip sessions.

★★★★★ Review by Amelia Jordan Ho Jan '24
 "had an amazing time getting creative and made some beautiful coasters for our home! the process was fun and the instructions were easy to follow. the perfect sunday afternoon!"

★★★★★ Review by Josephine Potts Feb '24
 "Very friendly atmosphere, good range of supplies and a helping hand when needed. Came away with new skills and a beautiful seagrass planter. Thank you"

★★★★★ Review by Maree Allen Jan '24
 "Today's class was unbelievable. I had one on one tuition and it was like learning a new craft with a friend. Very welcoming, great facilities, great atmosphere, food and drink provided and so much assistance. Would highly recommend attending this venue. I will certainly be back for more classes. Thank you so much for the wonderful experience."

"I bought tickets for myself and my sister, we both enjoyed the class. It was a great way to take a break from the everyday. There was everything at hand and Hannah provided excellent guidance but gave space for our own creativity."

★★★★★ a month ago

I have just got home from learning how to use resin. After being taught the different techniques, we practised on a couple of coasters and then set to work on our serving boards. Each one was unique and beautiful and we had heaps of fun. The venue is so well set out and the classes are small. The people are so lovely and seem to really care about sharing their knowledge, skills and talents with you. The morning tea was divine - those chocolate muffins 🍪. My sister and I plan to come back for some of the free resin working times and also to do some more classes. Thank you all so much.
