## JOB DESCRIPTION

iCreated Studio is a growing company in the creative experience industry and are looking for charismatic art experience creators with a passion for art and entertainment!

If you have a happy, bubbly, outgoing personality with a positive attitude and a strong work ethic who is eager to learn then you may have just found your calling!

All artists/facilitators must have the ability to work quickly and energetically with our team as we continue to grow! Our expectations are for each artist/facilitator to captivate and lead the iCreated Studio client's step by step through the entire painting process as they follow along with you! Our passion is ensuring our clients experience mindful creativeness, express their own individuality and style while creating a piece of art they are proud to display. We believe everyone has their own style of painting and you are expected to help them embrace their individuality!

We expect you to grow as an artist as you build rapport and promote the studio workshops to clients. All artist/facilitators will attend either in person or virtual meetings where the entire team comes together to collaborate ideas, paint designs in preparation for parties and provide personal feedback.

We are excited to bring on new team members, so if you feel like this position would be a good fit for you then please apply below!

### Responsibilities include:

1. Creating & developing paintings to be taught in classes and used for promotional items.
2. Developing & executing detailed and entertaining facilitating methods to keep the audience always engaged (training provided)
